- To organise social events for children, families and their friends.
- To foster community relationships.

- Anyone who has a child/children at the school.
- Anyone working at the school.
- Anyone interested in being a Friend (supporter) of the school.

How can we find out more?

Committee meetings are held roughly once a month during term time and take place on a weekday morning. You don't need to be a member to help out - come along to a meeting to find out more.

Every September the Annual General Meeting takes place. All parents, staff and anyone interested can attend. It is a great way to meet people and hear about the PTFA's achievements and plans for the future.

You can email Julia or Lynda at patefras@outlook.com

Planning & Organisation

In the informal atmosphere, the committee openly discuss activities and generate new ideas. It is at these committee meetings that school projects are considered with a view to PTFA funding. In joining the committee, this is your opportunity to have your say. Committee meetings generally start at 10am and last approximately 1 hour.

How to contact your PTFA

The easiest way to contact us is to email us at patefras@outlook.com or leave your details at the school reception and you will be contacted.

Putting the fun into fundraising

Over the years the generosity of all those associated with The Hollies has enabled the PTFA to donate to many worthy projects. We have a friendly, relaxed approach to our meetings and welcome anyone to come along to see for themselves.

Fun & Social Events

It is not all about raising funds all the time. The social events are equally important and give the children and adults the opportunity to enjoy many friendships at The Hollies. The school Christmas Party, for instance, is very popular with the children and the annual Christmas Fayre is a great day out for everyone.

Past events include:

Christmas Fayre/Raffles
Hoedown
Children's Christmas Party
Car Boot Sales
Medium Night

Future events include:

Leavers Prom
Cycling - Half Marathon
Three Peaks Challenge
The Silver Mile
The Carten 100
